East-bound leaves Myrick station at 8:45 p. m., arriving St. Louis at 7:10 a. m. West-bound leaves St. Louis 10:10 p. m., arriving at Myrick Station at 10:43 a. m., and Kansas City 12:30 p. m. Sections 7 and 8 are especially reserved in this sleeper for our Lexington patrons and it will be seen that the above also in addition gives much better train service to and from points on the River Division than heretofore enjoyed. Parties desiring berth reservation or other information, call on

There is not enough religion in many homes. More Bible reading and more praying would help keep happy many an otherwise unhappy home. — Rev. L. M. Zimmerman.

A man's power is measured by his faith. His creed is his point of leverage. It makes all the difference in the world as to what a man believes. To those who follow Christ, his word is the court of last appeal. — Rev. S. G. Nell.

Let us learn a lesson of forgiveness from our master. It is far more noble to pardon than to be avenged. It is part of the animal man to retaliate an injury. It is only God and the son of God that have the magnanimity to forgive. — Cardinal Gibbons.

The Mazamas, a mountain-climbing club of the northwest, is arranging to take a large party of Easterners to the summit of Mt. Rainier, in the state of Washington, starting from the Lewis and Clark Exposition grounds, some time during the fair. Other parties visiting the exposition will climb Mount Hood, in Oregon, forty-six miles from Portland. These peaks are crowned with ice and snow all the year round.

The true relation between man and God is the relationship of character. We are his children; that is the deepest fact of the story. As we grow in goodness we come to understand little by little the divine goodness. — Rev. J. P. Foster

SYSTEMIC CATARRH SO LITTLE UNDERSTOOD

Claims Many Thousands. A Tragedian's Thanks to Pe-ru-na.

ROBERT DOWNING, THE FAMOUS TRAGEDIAN.

In speaking of Peruna, Robert Downing, the famous tragedian, says: "I find Peruna a preventative against all sudden summer ills that swoop upon one in changing climates and water. It is the finest traveling companion and safeguard against malarial influences. 'You may notice that persons in poor health always find the heat most intolerable; this I avoid by using Peruna. I know by the thermometer that the weather is hot, yet I have felt the heat less this summer than ever. 'The cooling action of Peruna on the mucous membrane makes it invaluable to actors and singers, as it does away with that tendency to sudden hoarseness so apt to overtake one on emerging from a hot dressing room to a draughty stage. 'To sum it up, Peruna has done me more good than any tonic I have ever taken.'—Robert Downing.

Dr. Hartman was the first physician in the United States to accurately describe systemic catarrh. His remedy Peruna, the only systemic catarrh remedy yet devised, is now known all over the civilized world. A person having used it once can never be persuaded to be without it when in need of such a remedy. Write for a copy of Dr. Hartman's latest book entitled "Summer Catarrh." Address Dr. Hartman, Columbus, O.
